To the Board of Directors of Dixie Golf Club:

I hereby make application for membership in Dixie Golf Club. Attached hereto is the sum of \$ _____ for the required amount of initiation fee and first months dues.

I understand that in every membership category a primary member is required to be designated. This individual has sole authority to determine who will be authorized for use of their membership, (spouse or children) contingent upon the rules and regulation as set by the Board of Directors. This person is also responsible for the payment of all charges placed on the membership account by authorized users. For the purposes of this policy, unless otherwise directed by the primary member in writing to Dixie Golf Club, spouses and children (denoted on this application for membership) are automatically authorized use of Dixie Golf Club facilities, which allows them charging privileges on the account. I also understand that I will be joining Dixie Golf Club for a minimum term of 12 months.

If elected to membership, I, as the primary member on my account, agree:

- 1.) To abide by the by-laws, rules, and regulations of Dixie Golf Club, as set by the Board of Directors
- 2.) To pay all monthly charges on my account upon receipt of monthly statement.
- 3.) That Dixie Golf Club may access a late charge for past due accounts as provided in the by-laws as amended from time to time.
- 4.) To pay all reasonable attorney fees, investigator fees, and cost in the event this account is turned over for collection. Unpaid invoices are subject to be taken to small claims court.
- 5.) That in the event I should resign from membership in Dixie Golf Club, same shall be in writing and all dues, etc. in arrears must be paid by me before such resignation will be accepted.
